OUR PURPOSE IS TO CREATE FURNITURE OF THE HIGHEST STANDARDS IN TERMS OF DESIGN, QUALITY AND DURABILITY THAT ENRICHES LIFE TODAY WITHOUT COMPROMISING TOMORROW.

Pearson Lloyd Edge is a collection of new and redeveloped pieces created in light of the new era of hybrid working.

Every piece shares a universal language - a refined aluminium frame and an implicit function that helps create distinct zones – spaces to think, gather and share.

"FURNITURE BECOMES A SECOND SKIN,
ANATOMICALLY IT'S SUPPORTING YOU,
IT PROVIDES WARMTH, COMFORT,
PSYCHOLOGICAL SHELTER"

LUKE PEARSON

Take refuge from a lively office environment with
our collection of single person booths and high
back seating and find your own private retreat.

PEARSON LLOYD EDGE

The ultimate in workplace flexibility,
The 1.0 and 1.5 high back seating
with pivot table is perfect for a truly
agile workspace.

Made from scratch in the UK using FSC™ certified spruce ply, Renowned for its rapid growth, spruce also reduces frame weight by 33%. This makes Edge more rapidly renewable and significantly less carbon-hungry to transport from the forest to us and from us to you.

“FURNITURE CAN HELP DEFINE THE WAY ORGANISATIONS OPERATE”

TOM LLOYD

Make the most of time in the office with purposeful, softly structured meeting spaces and tech-empowered solutions to help teams thrive. Booths, meeting tables and desks define the spaces where we come together, share ideas and create new strategies, where teamwork cultivates innovation and individuals flourish.

A PLACE TO SHARE

"IT'S THE USE OF FURNITURE WITHIN
SPACE THAT SUDDENLY BRINGS THE
WORLD TO LIFE"

TOM LLOYD

Shared spaces foster those chance meetings that
lead to the best ideas, unplanned conversations,
creative connections, the dynamic human interaction
we missed so badly.

YORKTON WORKSHOPS

Photographed at Yorkton Workshops, a sensitively restored historic building in the heart of Hackney, now home to the award-winning design studio, Pearson Lloyd.

Winner of the Architects' Journal Retrofit Awards 2021, the former stables-turned-workshops now encompasses a versatile collection of light-filled spaces; studios, workshops, meeting rooms, event and exhibition space.
